Student Leadership, Involvement and Community Engagement (SLICE) is a leadership development and volunteer service program based in the Student Life Office at the University of Houston – Clear Lake.

SLICE offers a wide variety of programs designed to help students develop their leadership skills and apply them in their communities.

Leadership Development Programs include:

- Leadership Workshops
- 3-Day Leadership Retreat (fall)
- Annual Student Leadership Conference (fall)
- Planning Committees for Leadership programs

SLICE promotes **Community Engagement** in a variety of ways:

- UHCL (*United to Help Change Lives*) Day of Service
- Resources for finding volunteer opportunities in the local community
- Resources for finding on-campus volunteer opportunities
- Bulletin Boards

SLICE also works very closely with **The National Society of Leadership and Success (NSLS)**, UHCL Student Chapter. Students who join NSLS must complete membership requirements in order to be inducted as a lifetime member, and will receive access to scholarships, success coaches, and career resources. Requirements include participating in:

- Success Network Teams
- Leadership Training Day
- Monthly videoconferences featuring the nation's top business leaders, authors, and motivational speakers.

Servant Leader Scholar Program

The **Servant Leader Scholar Program (SLSP)** is sponsored by the Student Leadership, Involvement and Community Engagement (SLICE) program, housed in the Student Life Office. The SLSP recognizes students who complete service hours and participate in leadership development during their matriculation at UH – Clear Lake.

The SLSP encourages UHCL students to engage in activities that help them develop their servant leadership skills. Students can earn leadership development hours by attending any of the SLICE-sponsored or NSLS-sponsored leadership programs, including workshops, retreats, conferences, and speakers. Credit may also be given to off-campus leadership programs with special approval by SLICE.

Students can earn service hours simply by volunteering on-campus and in the community and documenting their hours served with SLICE. SLICE provides students with opportunities to volunteer through Days of Service (Spring), and also provides an online clearinghouse for Volunteer opportunities in the Houston-Galveston communities. Students can also earn service hours volunteering for on-campus events, such as: Open House, Ambassador Tables, Welcome Back Bash, Commencement, Orientation Leader, and serving on shared governance committees through the Student Government Association.

Service hours may also be accumulated through independent volunteerism performed by the student. Examples of extra-curricular volunteerism include:

- Coaching Little League/Community Sports Team
- Girl Scout Leader or Boy Scout Leader/Den Mother
- Outreach performed through church
- Campaign service/Voter registration
- Soup Kitchens, Hospital Auxiliaries, Hotlines, etc.
- Non-paid internships at non-profit service organizations...

How to Participate in the Servant Leader Scholar Program:

- Fill Out Application in Student Life Office
- Log Service Hours on the President's Volunteer Service Award website (see our webpage for instructions)
- Attend Leadership programs sponsored by SLICE (or provide documentation of participation in off-campus leadership training programs)
- After completing service hours and participation in leadership development programs, all SLSP participants must write an essay reflecting on servant leadership. Essay question and length specifics will be provided by SLICE.

After Completing SLSP Requirements, students will receive:

- Gold, Silver or Bronze Service Pin at Student Leadership Banquet in Spring semester
- Graduation Cord (Gold Level)
- Certificate from UHCL President
- Record of Participation (transcript of involvement)
